## Jabra Evolve 20 and Evolve 20SE

### Professional headset with easy call management and great sound for calls and music

#### More than headsets, a workplace evolution

With great sound for calls and music, the Evolve 20 and 20 Special Edition are entry-level professional headsets with easy call management through a control unit that makes, takes and mutes calls. Simple connectivity makes it easy to get started with your PC.

#### Clearer conversation for greater efficiency

Entry-level professional headset with easy call management and great sound for calls and music.

#### Manage calls easily

Get easy access to the most used functions, like volume and mute. You can also answer and end calls quickly and easily, directly from the control unit.

#### Flexible Plug and Play connectivity

Works straight out of the box. Installation is as easy as simply plugging it in to the USB port on your laptop.

#### All day comfort (Evolve 20SE)

Built for style and comfort with soft leatherette ear cushions. Adjustable headband lets you find the perfect fit.

Works with:

softphone

Certified:
